

ENMG 602 HW Submission Instructions

1. Your homework should be *handwritten* with blue ink,
2. After you finish writing it, take clear pictures of it or scan it with a good resolution and in color,
3. Combine the photos/scans into one pdf file,
4. Call your file FirstInitialLastName_HW_#.pdf; e.g. I'll call my first HW BMaddah_HW_1.pdf,
5. Email the file to probhw602@gmail.com, not to me.

There are apps to convert photos/scan into one pdf file. If you don't have access to such apps, you can do the following,

- 3.1 Email yourself each page of the HW as a photo with good resolution (try to keep file size < 1 MB),
- 3.2 Open a new Word file,
- 3.3 Insert each image on one page of the Word file,
- 3.4 Save the Word file as FirstInitialLastName_HW_#.pdf.
